MICHIGAN  
**ANIMAL HEALTH**  
FOUNDATION

In memory of your pet, we have made a memorial contribution to the Michigan Animal Health Foundation.

- Those of us involved with companion animals know how dearly they are loved and how much a part of the family they become.
- Although you have lost a friend, you can take comfort in knowing that other pets will benefit from this memorial gift.
- The Michigan Animal Health Foundation will use the gift to continue seeking ways to improve the health of our special animal friends.
- There is no better way to preserve a memory than through this meaningful gift.
